## **American Eel – Reduction of Daily Bag / Possession Limit for Recreational Fishing**

**Antigonish – December 24, 2019:** Fisheries and Oceans Canada (DFO) wishes to advise the public that the daily bag limit and possession limit for people recreationally fishing American eels has been reduced from 10 to 5, effective immediately (Gulf Variation Order GVO-2019-112). This is valid for the inland and tidal waters of NS that border and flow into the Gulf of St. Lawrence and Northumberland Strait from the Nova Scotia/New Brunswick border to Cape North, Victoria County.
