Notice to Fish Harvesters

TEMPORARY CLOSURE OF PART OF AREA 4T TO THE DIRECTED ATLANTIC HALIBUT FISHERY FOR ALL GULF FIXED GEAR FLEETS

Moncton – September 7, 2022

Fisheries and Oceans Canada - Gulf Region announces a temporary closure of the directed Atlantic halibut fishery which took effect at 6:00 pm (EDT) on September 2, 2022 for all Gulf fixed gear fleets in a portion of Area 4T due to significant cod by-catch.

This temporary closure is included within the straight lines bounded by the following points:

1	48°38'34.67" N	63°50'00.00" O
2	48°34'52.09" N	63°40'00.00" O
3	48°25'00.00" N	63°40'00.00" O
4	48°25'00.00" N	63°50'00.00" O
5	48°38'34.67" N	63°50'00.00" O
