NATIONAL VESSEL MONITORING SYSTEM REGISTRATION FORM

Moncton – May 12, 2020

Fisheries and Oceans Canada advises fish harvesters to send the completed National Vessel Monitoring System (VMS) Registration form, required as per the VMS Annex of their conditions of license, to the following email address:

DFO.VMSRegistration-EnregistrementSSN.MPO@dfo-mpo.gc.ca

Please note that the facsimile number and regular mail option are currently not available. Any forms sent by these means will result in delayed processing.

To obtain the electronic VMS form, please visit the VMS page on Fisheries and Oceans Canada's web page:
